

THEY SEE NO NEED OF LONG ARGUMENT

Senators Smith and Bankhead Want Tariff Bill Pushed Through.

Norfolk, Va., July 4.—That there is little need for the Democrats in the Senate to undertake to go into extensive argument on the tariff bill, but every reason why they should not do so, was the view expressed here today by United States Senator Marcus A. Smith of Alabama, joined today by Senator Bankhead of Alabama, in the view expressed by his colleague, Senator Smith and Bankhead had come to Norfolk to escape the heat of Washington and enjoy a few days' rest on the waters of Hampton Roads.

Senator Smith said that when the tariff bill comes from the Democratic caucus a proper thing would be for the bill to be presented in two or three speeches by members of the Finance Committee who have given it careful consideration, with the Democratic program after this to be a continuous call for a vote whenever the opportunity arises. The Arizona Senator said the Republicans will undertake to do a great deal of talking, and he would not be surprised to see the final vote on the tariff delayed until after the middle of August, but the Democratic policy should be to prevent as much of this discussion as possible and secure early passage of the bill. Senator Bankhead said he coincided with the view of Senator Smith. The Senators will return to Washington by Monday.

Both Senator Bankhead and Senator Smith said they had greatly enjoyed coming to Norfolk and the Hampton Roads section. They spent yesterday on the Virginia pilotboat William Graves, fishing in lower Chesapeake Bay, as the guests of Captain William H. Boutwell, president of the Pilots Association, who heard of the presence of the Senators in Norfolk and invited them on a day's sailing trip. Senator Smith said he would probably return to Old Point Comfort for the target practice work at Fort Monroe July 20.

Senators Smith and Bankhead were neither certain to-day what would be the outcome of the proposed currency legislation at this session of Congress, and they did not undertake to say how long Congress would be in session. As to the possibility of Congress continuing in special session in December, the Senators said they said it would be impossible to say how long the session would last, but the impression is there will be an intermission between the present special session and regular session in December, though this may be short.

HONORS TO PERRY ARE BEING PAID

which recently had been raised and refitted, and which will visit the cities on the Great Lakes holding Perry celebrations this summer.

Graves Are Decorated.
At 10 o'clock this morning the program called for decoration of the graves of the American and British officers killed in the battle of Lake Erie, by the school children of Put-In-Bay. Simple religious services, with music by a military and concert band and prayer by the Rev. J. M. Forbes, characterized this ceremony.

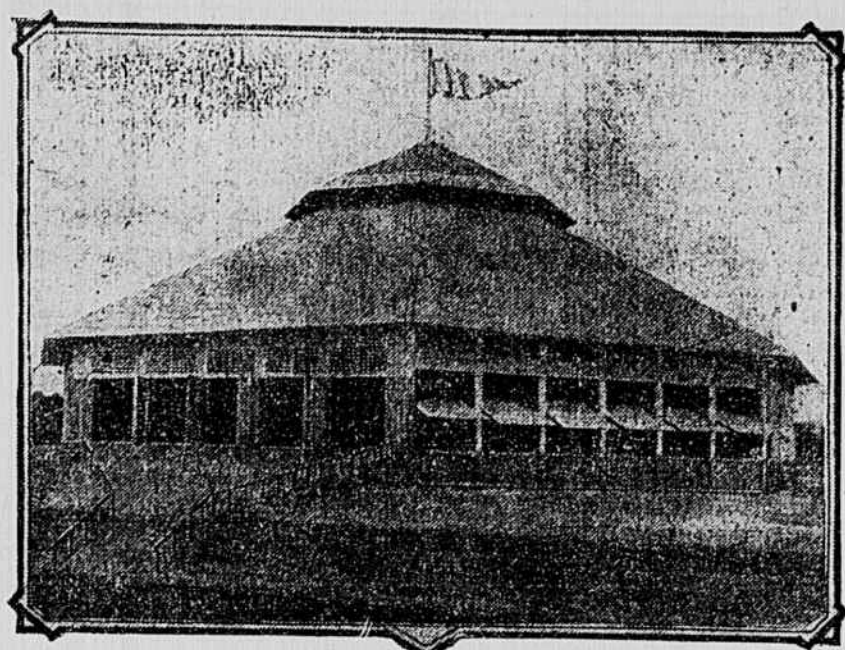

At 1 o'clock the cornerstone of the memorial was laid under the auspices of the Ohio Grand Lodge of Masons. The officers of the grand lodge participated in this ceremony in conjunction with the Ohio commissioners and the interstate board of the Perry's victory centennial commissioners.

The officers of the grand lodge and the commissioners representing the national government, and the State of Ohio, Pennsylvania, New York, Illinois, Michigan, Wisconsin, Minnesota, Rhode Island, Kentucky and Louisiana, constituting the interstate board, were reported to the site of the memorial by the seven commanders and Knights Templar from Cleveland, Toledo and

Memorial Presented.

Following this ceremony, the oratorical program of the day was carried out in the large coliseum at Put-In-Bay, which was taxed to its full capacity of 4,000 people. John H. Clarke, of Cleveland, president of the Ohio commission, formally presented the memorial reservation to Commodore George H. Worthington, president-general of the interstate board. The interstate board will complete the memorial, when it will be transferred by them to the national government.

The creation of the day was delivered by former Senator John M. Whitehead, of the Wisconsin commission.

A display of fireworks with fire portraits and numerous elaborate set pieces was given in the evening. Following this, a banquet was given by the Ohio centennial commissioners in honor of Ohio State officials, members of the Legislature, Supreme Court, the Masonic fraternity and other guests, and been planned. President John H. Clarke acted as toastmaster, and responses were made by Hugh L. Nichols, lieutenant and personal representative of Governor Cox, of Ohio; Representative John Cowan, for the House of Representatives; State Senator D. P. Mooney, for the Ohio Senate; Most Worshipful Grand Master E. S. Griffiths, for the Ohio Grand Lodge of Masons; General J. Warren Keifer, of the United States centennial commissioners; Timothy S. Hogan, Attorney-General of Ohio; J. H. Freedlander, architect of the memorial; A. H. Sisson, treasurer-general of the interstate centennial board; and Webster P. Huntington, secretary-general of the interstate centennial board.

Corner-Stone Laid.

The principal feature of the day's celebration was, of course, the laying of the corner-stone of the memorial which is to be the permanent monument to Perry's victory. When completed, the memorial will consist of a large column of granite 330 feet high and forty-five feet in diameter, surmounted by a spectators' gallery, reached by elevators, above which will tower an immense tripod holding a beacon light flashing its rays heavenward, and visible for miles over Lake

Erie. This column will stand in the center of a plaza 758 feet long and 461 feet wide, which will rise in a gradual ascent from the water's edge, with Put-In-Bay on one side and Lake Erie on the other.

At one end of the plaza will be an historical museum containing relics of the War of 1812, and at the other end, a building emblematic of a century of peace between Great Britain and the United States. This will be the highest monument in the world excepting the Washington Monument at the national capital, and the highest column without exception.

It will cost approximately \$1,000,000, which is being contributed by the national government and the ten States affiliated in this centennial.

Nothing Political in Resignation of Assistant Police Judge.

Norfolk, Va., July 4.—Justice A. J. Dalton, who was appointed by Police Justice Barron late yesterday afternoon to fill the vacancy caused by the retirement of Assistant Police Judge John O. Pitt, presided in the Police Court this morning. Justice Barron being out of the city today.

Justice Dalton is well known as a justice of the peace and also as a Civil War veteran. He is noted for his fairness in all things, and his ability as a trying magistrate is undisputed.

Justice Pitt said this morning that in stating yesterday that he had notified Police Justice Barron that he would sit no more under the present administration, he meant the administration only so far as Justice Barron is concerned. He said that the politics of the situation had nothing whatever to do with his resignation, and that the matter was simply a matter of personal friction.

Monticello Is Radio-Active

The new auditorium, seating 2,000 people, has been completed. It is a model of its kind and was especially designed for the use of the encampment, which always meets in the heated season.

The president of the encampment is Dr. W. W. Hamilton, of Lynchburg, the vice-presidents are R. S. Barbour, of South Boston, and W. F. Robertson, of Norfolk; the treasurer is Frank T. Crump, superintendent of the Second Baptist Sunday school, Richmond, and the general secretary is the Rev. Joseph T. Watts, of the Baptist Mission Board, who has general direction of the enterprise.

Judging from the reservations that have already been made at the various cottages, it is safe to say that the Richmond encampment attendance upon the meetings will be very large.

BAPTIST HOSTS AT VIRGINIA BEACH

Great Religious Gathering on Seashore—Encampment for Instruction Opens Next Week.

(Special to The Times-Dispatch.)
Virginia Beach, July 4.—Two thousand pastors, superintendents of Sunday schools, teachers and leaders, will meet here at Virginia Beach July 11th to 20th inclusive, for the sixth annual summer encampment, held under the auspices of the Baptists of Virginia. The meetings, however, are not sectarian, and hundreds of workers belonging to other denominations will attend.

The program as forwarded to the local committee presents a varied list of topics, covering practically the whole field of religious endeavor. Among the platform speakers engaged for this occasion may be found the names of some of the most noted men in this country. Dr. Russell H. Conwell, famous especially for his lecture on "Acres of Diamonds," will appear twice, speaking on "Silver Crown, or Born a King" and "The Heroism of Private Life." He is president of the Temple University in Philadelphia, as well as pastor of the largest Protestant church in America.

Dr. Lincoln Hulley, president of the John B. Stetson University, Deland, Fla., will present "Burns and His Humanity." Dr. Eugene Field, author of "Children" and "The Bible as a Classic," Dr. J. B. Gambrell, of Dallas, Texas, known in the Southwest as "the great commoner," is an ex-Confederate soldier, serving all through the Civil War as a scout. He will speak on "Scout Life in the Confederate Army" and on "The Battle of Gettysburg as I Saw It." He will also speak on the day platform on "The Reign of Common Sense in Life."

President William Louis Poteat, of Wake Forest, N. C., will lecture at night on "The Natural History of Religion," besides delivering several lectures on the day platform.

Dr. B. D. Gray, of Atlanta, Ga., one of the ablest platform men among the Baptists of the South, will lecture on "Dixie and Her Destiny" and on "Training for Church Work."

Within the past few years great progress has been made in the training of officers and teachers of the Sunday schools. With the great improvement in the methods of teaching in connection with public education, it is more necessary than ever before to give religious teachers thorough technical training in order to be able to hold the young people to the Sunday school.

The Sunday school program is full of interest, all such workers, covering a wide range of topics, such as applied psychology, organization and management, Bible study, and school hygiene.

For this department teachers of recognized ability have been secured. Among them are Professor J. Henry Highsmith, of Wake Forest College, N. C.; Dr. P. E. Burroughs, and Dr. W. W. Weaver, of Nashville, Tenn.; Professor R. E. Gaines, of Richmond, Va.; Mrs. Antonette Abernathy Lamoreaux, of Chicago; Dr. W. B. Spilman, of North Carolina; Rev. J. C. C. Dunford, of the Baptist Mission Board, and others.

The Baptist Young People's Union Convention of Virginia will be held during the encampment, and a splendid program has been prepared. Arthur Flake, of Mississippi, in charge of the field work of the B. Y. P. U. of the South, will give lectures and demonstrations.

The Woman's Missionary Union of Virginia will hold a conference daily at 10:30 A. M., with such leaders as Miss Fannie E. S. Heck, of Raleigh; Miss Kathleen Mallory, of Baltimore, and Mrs. J. P. Thomas, of Richmond, on the program.

Ministerial Conference.
The ministers will have a special conference, presided over by Professor W. J. McGlothlin, D. D., Ph. D., of the Southern Baptist Theological Seminary. He will be daily on "Epochs in Church History."

Social service, foreign home and State missions, Christian education and general Christian culture will receive attention at the hands of eminent speakers.

The new auditorium, seating 2,000 people, has been completed. It is a model of its kind and was especially designed for the use of the encampment, which always meets in the heated season.

The president of the encampment is Dr. W. W. Hamilton, of Lynchburg, the vice-presidents are R. S. Barbour, of South Boston, and W. F. Robertson, of Norfolk; the treasurer is Frank T. Crump, superintendent of the Second Baptist Sunday school, Richmond, and the general secretary is the Rev. Joseph T. Watts, of the Baptist Mission Board, who has general direction of the enterprise.

The officers of the grand lodge and the commissioners representing the national government, and the State of Ohio, Pennsylvania, New York, Illinois, Michigan, Wisconsin, Minnesota, Rhode Island, Kentucky and Louisiana, constituting the interstate board, were reported to the site of the memorial by the seven commanders and Knights Templar from Cleveland, Toledo and

Witnesses said that McFarland was nearly killed under the raining blows of his assailant, who, it is charged, after knocking him down in the street, kicked him in the face. The city ambulance was summoned, and the injured man was given medical aid.

Diamond Dope.
Burk & Co., who have the doubtful distinction of not having won a game this season, will play the A. A. Adkins team this afternoon at Southside Park. The Adkins boys are well to the front in the Richmond League, being only a few points behind the leaders. They are confident of taking another victory from the tallenders, and say they will make a strong bid for the pennant this year.

In the Southside League to-day, six teams will grapple for supremacy on the diamond. What is expected to be a battle royal will be the game between Jones Bros. and Tunstalls. The two teams are about evenly matched, and they will go it nip and tuck. In Swansboro Park the Richmond Electric Company will play Swansboro. The Sterlings and Manchesters will cross bats at Sterling Park this afternoon.

The game at Byrd Park this afternoon will be between Jones-Green and the Hustlers. Woodland Heights plays the Brownies at Fulton Park. The suburbanites started out strong this year, winning the first game played, but they struck bad slump, from which they have not yet recovered.

With the Police.
Thomas H. Robertson and a fore-cigner, who were arrested by Officer G. P. Sharp last Thursday night, charged with being drunk and disorderly, were each fined \$10 and costs in Police Court, Part II, yesterday.

NEWS OF SOUTH RICHMOND

SHOTGUN VICTIM DIES

Oscar Fortune Succumbs to Wounds Inflicted by Steppfather.

Oscar Fortune, colored, alias "Pinky," twenty-four years old, who was mortally wounded by his stepfather, Charles Allen, fifty years old, with a shotgun, died yesterday morning at 1 o'clock in his home, on River Road, Swansboro, as a result of his injuries. Fortune never regained consciousness after the discharge of No. 4 shot from the gun, which entered his chest, penetrating the right lung, passed into his body. Dr. Raymond C. Hooker, who was summoned immediately after the shooting, gave medical aid until he was pronounced dead.

Dr. J. G. Loving, the county coroner, held an inquest over the body at 11 o'clock. The verdict of the jury, which was composed of two white men and four negroes, was that "Oscar Fortune came to his death as a result of a gun-shot wound inflicted by Charles Allen." Commonwealth's Attorney Haskins Hobson produced two eyewitnesses to the shooting, Martha Allen, mother of the boy, and a colored girl named Lafon, who lived at the house. Both testified that Allen shot his son, but said he was provoked to the deed by actions of the latter. The mother said that she tried to separate the two when they became engaged in an argument, and endeavored to wrest the weapon from her husband's hands.

J. M. Turner, who represented the defense, brought out the fact that his client bore an excellent reputation among both white and colored people of the neighborhood, while Fortune had been up several times before the police, and is known by all to have a bad character.

Allen was brought to the inquest from the city jail, where he was locked up by County Officer George Jarrell directly after the shooting. He did not go on the stand, but admitted his guilt. The prisoner will be kept in the Richmond jail until the grand jury meets in Chesterfield Courthouse, when he will be formally arraigned on a charge of manslaughter.
